* Responses from the Chairperson: As of now, the Giải Phóng Road Expansion Project does not affect the Corporation's Head Office building.

The Chairperson requested the General Meeting to vote on approval of the Report on the implementation of the 2025 production and business plan and the 2026 production and business plan of the Parent Company – VINACOMIN - Viet Bac Mining Industry Holding Corporation.

Voting results:

- Approve: 103,520,842 shares, equal to 100% of the total number of voting shares;
- Disapprove: 0 shares, equal to 0% of the total number of voting shares;
- Abstention: 0 shares, equal to 0% of the total number of voting shares.

3.2. Report No. 151/BC-HDQT dated May 07, 2026 on the activities of the Board of Directors of VINACOMIN - Viet Bac Mining Industry Holding Corporation in 2025, and the orientations for 2026 was presented by Mr. Dang Van Tung - Full-time Member of the Board of Directors of the Parent company.

The 2026 Annual General Meeting of Shareholders authorized the Board of Directors of Corporation to proactively adjust certain targets in the production and business plan and construction investment plan under the authority of the General Meeting, after obtaining opinions from Vietnam National Coal and Mineral Industries Holding Corporation Limited, provided that the Parent company's 2026 business operations do not incur losses.

* *At 09 hour 00 minutes, an additional 01 shareholder owning 200 shares attended the Meeting, bringing the total number of attending shareholders to 26 shareholders, owning and representing 103,521,042 shares, equivalent to 98.59% of the total voting shares of the Parent company.*

* Shareholders' opinions: The State Securities Commission of Vietnam (SSC) has issued an official letter requiring a review of the status of public companies among state-owned enterprises and their subsidiaries that are currently listed or registered for trading on stock exchanges, in accordance with applicable law. The shareholder requested that the Corporation review whether it meets the criteria to qualify as a public company and explain the measures it intends to take to ensure full compliance.

* Responses from the Chairperson: The Corporation has reported the above matter to its major shareholder, Vietnam National Coal And Mineral Industries Holding Corporation Limited (TKV). Compliance with the requirements for public companies is being implemented in accordance with the Law on Securities and relevant legal regulations. The Corporation will continue to coordinate with its major shareholder and the competent authorities to study and implement appropriate solutions to ensure compliance with applicable law in the coming period.

* Shareholders' opinions:

- What were the coal prices and sales volume by coal types for 2025?
- Please provide information on the five (5) serious occupational accidents and one (1) public order and security incident that occurred in 2025.

* Responses from the Chairperson:

- The Corporation has three (3) coal production units and produces various coal grades in accordance with different standards (TCVN, TCCS). Coal prices are determined by TKV.

- Coal production is a specialized, hazardous, and arduous industry. Consequently, occupational accidents are an inherent risk that is difficult to avoid during production.

With respect to the occupational accidents and the public order and security incident that occurred in 2025, the Corporation has conducted investigations, determined the causes, and held the responsible organizations and individuals accountable in accordance with applicable regulations.

* Shareholders' opinions:

- The Corporation should place greater emphasis on occupational safety and health matters, as any loss of occupational safety directly affects the health of employees. The shareholder also requested further clarification regarding the public order and security incident.

- The shareholder recommended that the Corporation strive to exceed its 2026 targets. The shareholder expressed satisfaction with the production and sales performance of the coal business and other business segments. However, the shareholder was not satisfied with the performance of the cement business, particularly with regard to La Hien Cement Joint Stock Company and Quan Trieu Cement Joint Stock Company. The representative of state capital and the Board of Directors should demonstrate greater accountability and exercise stronger control over this sector.

* Responses from the Chairperson:

With respect to the occupational accidents and the public order and security incident that occurred in 2025, the Corporation has conducted investigations, determined the causes, and held the responsible organizations and individuals accountable in accordance with applicable regulations.

The Chairperson requested the General Meeting to vote on approval of Report on the activities of the Board of Directors of VINACOMIN - Viet Bac Mining Industry Holding Corporation in 2025 and the orientations for 2026.

Voting results:

- Approve: 103,519,842 shares, equal to 99.99884% of the total number of voting shares;
